

# What's In the Works?

**Q2**

April 2022  
May 2022  
June 2022

From paving and culvert replacement projects to a new website launch, we've been out and about Q2 to take care of what York needs.

## Waste Collected Curbside

**268 tons**  
of recyclables  
collected curbside

**1,265 tons**  
of waste collected  
curbside

## Pavement Marking Innovation

A new, long-wearing product made by 3M was installed at the intersection of Woodbridge Road and York Street.

## DPW Website Launch

DPW launched its new website the beginning of April

<http://www.yorkpublicworks.org>

## Tire Drop Day

# 100+ Tires

were dropped off at the Annual Tire Drop Day at the recycling facility on Witchtrot Road.

## Road Restriping

Poirier Guidelines worked with DPW to re-paint the **yellow centerlines** and **white edge lines** on York's marked roadways in June

## Recycle Facility Grinding

The huge pile of tree limbs, stumps, old Christmas trees and other yard waste was ground up and turned into useful mulch at the recycle facility.

## Road Paving

Exceptional spring weather allowed DPW to complete paving projects on:

- » Chases Pond Road
- » Southside Road
- » Nubble Road (*phase 2*)
- » Sunrise Terrace
- » Hemlock Ridge
- » Sewall Pasture
- » Lobster Cove Road and
- » Dover Bluff
