

# What's in the Works?

**Q3** July 2022  
August 2022  
September 2022

From many paving and culvert replacement projects to shoulder work and curb installations, the summer season presented itself with great weather for York DPW to stay busy taking care of the community.

## Waste Collected Curbside

**336 tons**  
of recyclables  
collected curbside

**1,638 tons**  
of waste collected curbside

## QAlert Activity and Requests

### Monthly Activity

*(includes open, closed and in-progress)*

July Total - **32**

August Total - **90**

September Total - **69**

### Requests by Type

- 84** Dig Safe / Contractor
- 19** Tree Pruning / Trimming Request
- 11** Gravel Shoulder Damage/Erosion
- 10** Dig Safe / YWD
- 10** Potholes/sinkholes service
- 10** Pavement Damage/Condition
- 9** Other Signs Missing/Damaged
- 8** Roadside Mowing
- 5** Blocked Culvert
- 3** Dig Safe / Homeowner
- 3** Stop Signs Missing/Damaged

## Southside Road Reconstruction

Extensive work was completed on the Southside Road Capital Project including replacing damaged culverts, reclaiming, paving, and shoulder work.

## Road Paving

From Deer Run to Saltwater Drive and Southside Road to Chases Pond Road, exceptional weather allowed DPW to complete over a dozen road paving projects throughout the town for over 11,000 feet of smooth, newly paved roads.

## Mill Lane Culvert Replacement

DPW worked closely with local residents before, during and after an extensive culvert replacement project that successfully managed and limited the impact of traffic flow.

## New Excavator

DPW received delivery of a new Link-Belt model 75X3 backhoe/excavator complete with four specific-use attachments including a 48" ditching bucket, a 30" digging bucket, a hydraulic hammer and ripper tooth.

## New Truck

DPW received delivery of a new International Class 8 truck frame and chassis. This heavy-duty, six-wheel steel frame and chassis was custom-built for DPW and will be fitted out with features to meet the needs of year-round use.

## Recycling Facility Video

DPW produced a professional and comprehensive video of the Witchtrot Road Recycling Facility for our website. Visitors are given a first-person, birds eye view of the entire facility and see a complete layout of the resources available there.

## New Hires

On July 18, DPW welcomed **Anthony Parrotta** to the team as our new Diesel Mechanic.

In August, DPW welcomed **Jaelynn Gerald** as our new Administrative Assistant.
