Catch Basin Clearing

All of York's **770 catch basins** were inspected with 232 in need of clearing using specialized, high-pressure vacuums and hoses to remove leaves, sticks, and other assorted debris.

Hazardous Waste Day Success!

More than **160 York residents** took part in this year's Hazardous Waste Day at the Witchtrot Road Recycling Facility. Items collected include:

- » Ten 55-gallon drums of solvents and paint pour-off
- » Three 55-gallon drums of inorganic chlorinated oxidizers
- » One 30-gallon drum of inorganic chlorinated oxidizers
- » One 55-gallon drum of assorted acids
- » One 55-gallon drum of assorted base materials
- » One 15-gallon drum of asbestos material
- » 2 cubic yard boxes of expired non-regulated household waste
- » 2 cubic yard boxes of flammable liquids
- » 1 cubic yard box of liquid pesticides
- » 1 cubic yard box of assorted aerosols

DPW Battles First Big Storm

DPW crews and equipment were deployed early and in place to help affected areas in the wake of a major storm bringing heavy rain, 50 mph gusts, power outages, and flooding to the area.

Sidewalk & Street Scanning

Contractors from StreetScan Services used **high-tech cameras and equipment** to conduct an extensive evaluation of the streets, sidewalks, crosswalks, ramps and street signs in York.
