

RE: 18 Leavitt Farm Lane

Dear Resident/Owner,

The York Department of Public Works wishes to notify you of upcoming road work scheduled to take place on Leavitt Farm Lane.

This project includes drainage work and paving. This work will require DPW and Libby-Scott crews using some heavy-duty equipment and large vehicles. This work will be brief and any traffic delays that may occur will be temporary.

Please know we apologize for any inconvenience caused by the project, and we'll do all we can to lessen any negative impact on residents in the area.

If you have any concerns or questions, feel free to call us at 207-363-1010 or email dpw@yorkmaine.org.

Sincerely,

Dean Lessard

Dean Lessard
Public Works Director
